Appointments during the school day

No child is allowed out of school during the day unless accompanied by an authorised adult. If your child has an appointment during the day we may ask to see confirmation of the appointment and he/she must be collected from the school office. We ask that all the appointments are made outside of the school day where possible.

Assessment

Children are assessed regularly by their teachers. We hold parents' consultation evenings twice a year and a written report is sent home in the summer term. Parents are notified when there are any issues causing concern to provide the best possible opportunity for each child to achieve his or her full potential. This may include planning for extra support for children who may need it.

Charging for trips and activities

Teachers seek to enrich our curriculum through visitors and trips. Children have positive memories of these activities which bring learning to life. Where possible teachers will look for free activities but from time to time the school may need to ask for voluntary contributions towards the cost of some of these experiences. Unfortunately when there have been insufficient contributions it may be necessary to cancel an activity.

Complaints

Any complaints about school matters should first be discussed with class teacher before being brought to the attention of the headteacher. If the complaint is not resolved, a formal complaint may be made firstly to the chair of the governing board and secondly to the local authority. The procedure to register a complaint is available from the school office or on the website.

Holidays during term time

From 1st September 2013 new DfE regulations came into force regarding taking children out of school for a holiday from .A request for leave should be returned to school at least four weeks before the holiday date .The current law does not give any entitlement to parents to take their children on holiday during term time. It states that any application for leave must be in exceptional circumstances and that the headteacher must be satisfied that the circumstances warrant the granting of the leave. The school issues fixed penalty notices for unauthorised holidays and persistent absence.

If you do need to ask for permission for an exceptional absence you'll need to complete a holiday request form which is available from the school office.

Please do not book any holidays before completing one of these forms .Any absences where permission has not been sought in advance or after permission has been declined will be recorded as an unauthorised absence inline with the school's attendance policy and a referral will be made regarding a fixed penalty notice.

If your child is unable to attend school for any reason please telephone the school office before 9 am on the first day of absence .If you don't contact us it may be necessary for a member of staff to conduct a home visit.

If your child has sickness or diarrhoea we ask that they do not return to school for 48 hours as this type of illness is very infectious.
