Important Information

Homework

Children will be taking home a new homework book this week. Inside, there will be this half term's take away menu. Please support your child to complete as much of this as possible. Books will also have your child's TTRS log in details. Again, please encourage them to access this as much as possible.

Reading at home.

The expectation is that children read at least once a week at home. However, please try to read with your child as much as possible as the more children are read to, and are read with, the better they are across the curriculum. Children will be bringing home new reading diaries this term to help track how often they are reading. They will also complete a Reading Age assessment in their first week to ensure the books they bring home are of the right level.

Would you prefer to live in Stone, Bronze or Iron Age?

In history this half term we will be studying the Stone, Bronze and Iron Ages and what life was like in each of these. We will be linking this closely to our Science where we will become archaeologists, studying rocks and the human skeleton!

PE and Swimming

PE this half term will be Football with RSSP on a Wednesday afternoon. Please ensure that both inside and outside kits are in school at all times.

Earrings **MUST** be covered with a plaster or removed. It is essential that kits are sent in with all items included and named.

Swimming will take place on a Thursday afternoon. Swimming kit consists of a one-piece swimming costume/fitted trunks, swimming cap for any children whose hair reaches their eyes and a towel. It is essential that swimming kits come in on a Thursday morning or your child will not be able to take part in the lesson.
