

Dear Parents/Carers,

To relaunch the Times Tables Rock Stars learning platform, we will be holding a Rock Stars morning on Friday 19th April.

The aim of this is to encourage children to use the platform on a more regular basis. Many areas of maths rely on the ability to quickly recall times tables facts, which frees up working memory when completing more complex problems. For children in Reception and Year 1, they will be using Numbots instead and this will focus on learning number facts.

Children are encouraged to dress up as a rock star on the day, rocking their air guitars! If you need inspiration, the website, <https://ttrockstars.com/5-ways-to-re-launch-and-launch-times-tables-rock-stars-in-style/> has lots of dressing up ideas. Reception and Year 1 children can still dress up as rock stars on the day!

During the morning, we will also be participating in a range of mathematics and times tables-based activities.

Your child should know or have their TTRS/Numbots username or password if they wish to get started or continue practicing during the holidays.

We look forward to seeing you all dressed up on the day!

Mrs O'Mara

Maths Lead
