

Late Collection Policy

February 2025

To be reviewed 2026 or as required

Aims

- To ensure the prompt collection of all children from the school
- To ensure the safety and well-being of children
- To enable staff to attend training, meetings and carry out professional duties.

Collection of children at the end of the school day

It is the responsibility of parents to collect their child(ren) on time at the end of each school day. The school recognises that it has a statutory duty to safeguard and promote the welfare of pupils, and that this duty extends to having arrangements in place for managing children who are not collected at the end of a school day, or at the end of an authorised activity.

On admission to the school, parents/carers provide:

- Names and full addresses of parents/carers (and confirmation of parental responsibility)
- Home and work telephone numbers
- Mobile phone numbers where appropriate
- Two emergency contacts who may be called in the event of the parents/carers being unobtainable or in the case of an emergency
- It is the responsibility of the parent/carer to ensure this information is updated annually or whenever circumstances change

If a pupil is not collected at the end of the school day, at the end of a curriculum club or the end of wrap around care, the school will make contact with parents, or anyone on the child's emergency contact list if parents are unavailable.

The late collection policy will operate to the following, from the end of the school day:

- School finishes at 3.15pm.
- At 3.15pm children will be taken to the office and remain under the care of an allocated supervising adult at which time the late collection policy is applied at a charge of £5 per 5 minutes.
- The supervising adult will check with office staff to see whether a phone call or note has been received.
- If a parent has not made contact or arrived by 3.15pm, a member of school staff will make every effort to contact the parent.
- If the parent cannot be reached, the emergency contacts provided will then be called. Contact numbers are kept in the office and on the School's Management Information System (MIS).

Procedure for when a child is not collected by 3.15pm:

- On the first occasion, a record will be kept and the parent/carer will receive a fine warning letter.
- On the second occasion, the parent/carer will receive a fine in accordance with the charging system and will be asked to meet with a Designated Safeguarding Lead to establish what support can be offered to avoid further late collection.
- On the third occasion, the parent/carer may be referred to the attendance services or to Children's Social Care for additional support.

Procedure for late collection from curriculum clubs finishing at 4pm or 4.15pm:

- All clubs finish by 4pm or 4:15pm. Children must be collected by the agreed time stated on the permission slip.
- On the first occasion, a record will be kept and the parent/carer will receive a fine warning letter.
- On the second occasion, the parent/carer will receive a fine in accordance with the charging system and will be asked to meet with a Designated Safeguarding Lead to establish what support can be offered to avoid further late collection.
- Late collections for clubs will be reviewed termly. When a child is collected late from a club on 2 occasions, they will lose their place in the club.

Procedure for late collection from after school club finishing at 5.50pm:

- The after-school club finishing times are 5.50pm for the full session.
- Parents must sign their child out when they collect them from the After School Club.
- Please note that staff work until 5.50pm and need to leave at that time for other commitments so please ensure that you collect your child on time.
- In an emergency situation where you are unable to collect your child by 5.50pm and are unable to make alternative arrangements for someone to collect your child by 5.50pm then you will be charged £5 for every 15 minutes they are late. For example, someone collecting their child between 5:50pm and 6:05pm will be charged an additional £5 and someone collecting their child between 6:06 and 6:20pm will be charged an additional £10 and so on. This is to allow for additional payments that have to be made to staff.
- The school bell is set to sound at 5.50pm to notify staff of the session end times. Please note we cannot allow for any variance on parents' personal time devices.

Procedure if a child remains uncollected after 45 minutes

The school holds a statutory duty to safeguard and promote the welfare of pupils, and this operates for every situation where a parent or carer cannot be contacted within 45 minutes of the end of the school day/curriculum club/wrap around care.

In the case of a pupil not being collected and no contact being made by the parents with the school or the school being unable to make contact with one of the emergency contacts within 45 minutes of the end of the school day/curriculum club/wrap around care, the school will ring Lancashire Children's Social Care team (MASH) to discuss the situation and ask for advice.

This will allow the Social Care Team to begin to plan for the possibility that they may need to make arrangements for the alternative care of the child.

Change of Collecting Adult

Periodically, the School sends out a letter asking parents to update emergency contact details for up to three named adults who have permission to pick up the child at the end of the day. This information is collected and updated to allow the school to make a quick and informed decision if somebody less familiar seeks to collect a child.

If an adult who is not named on the consent form attempts to collect the child, the school will, for matters of safeguarding, need to contact a parent to confirm whether they are genuine and do have permission to collect the child. Parents are reminded that any changes to normal collection arrangements (e.g. child going on a playdate, being collected by another parent) should always be shared with the school office or the child's class teacher.

Dear Parent/Carer,

RE: Late Collection 3.15pm

Newchurch St Nicholas Primary School would like to remind you that our teaching time finishes at 3:15pm for children in Reception to Year 6. Teaching staff aim to have children ready for collection by 3:15pm at the latest.

If children have not been collected by 3.15pm they will then be taken to the office where staff will make attempts to contact, you.

Whilst we understand that emergencies happen, we are not able to provide childcare once the teaching day is over without compromising our staffing ratios and provision for parents who have paid in advance for extended day services. If a parent is late picking up their child, we have a fine system in place of £5 per every 5 minutes per child.

If you have received this letter, it means that the next time you are late to pick up your child, you will be issued with a fine. This letter counts as advanced warning and payment will be expected on collection.

As a matter of safeguarding and duty of care, should late collection be 45 minutes or longer, we are obliged to report this to Children's Social Care.

We thank you for your co-operation in this matter and if you have any questions about this please speak to the office.

Yours sincerely,

Mrs Gemma Callaghan

Dear Parent/Carer,

Newchurch St Nicholas Primary School would like to remind you that our enrichment clubs finish at 4pm or 4.15pm for all children. It is expected children are collected on time.

If you have received this letter, it means that the next time you are late to pick up your child, you will be issued with a fine. This letter counts as advanced warning and payment will be expected on collection.

In addition and as a matter of duty of care, should late collection be 45 minutes or longer, we are obliged to report this to Children's Social Care.

If there are repeated incidents of late collection, the school may withdraw the right to future enrichment club bookings.

We thank you for your co-operation in this matter.

Yours sincerely,

Mrs Gemma Callaghan
