

Reception Newsletter

SPRING 1

Class Teacher: Miss Parkinson

Teaching Assistants: Mrs Towers, Miss Doolin

Notices:

Happy New Year! We hope you had an exciting 2 weeks break.

Numbots

Numbots is incredibly helpful at supporting children with their maths learning and the children love it. Please make sure you are accessing Numbots regularly at home. See if your child can win one of our weekly Numbots awards in celebration assembly. If you need log in details resending, please let me know.

Termly rewards

It would be amazing if every child in Reception could earn their reward time this term. To do this, they need to complete 1 read a week and 1 piece of homework each week. The homework challenges are very inclusive so everyone should be able to access them. I cannot wait to see what you learn.

We are learning...

Topic—Castles, Kings and Queens, Winter.

English— Jack and the Beanstalk, The Snow Thief, Zog

Maths— Comparing, partitioning, adding and subtracting, patterns.

RE—Special books (Bible)

EAD— Junk modelling (castles), Paul Klee (Castles), royal portraits, Claude Monet (Winter landscape)

Science— States of matter (ice) Winter.

Music— Medieval music.

PE days

PE days are Mondays and Thursdays this half-term. Please make sure all items are named.

Birthdays:

We would like to say happy birthday to Lily-Mae and Ruben for this half-term.

Have a lovely day celebrating.

Key dates:

- Thursday 5th February— School disco
- Tuesday 10th February— Life Education bus
- Friday 13th February— Half-term
