

# Reception/Year 1

Choose your homework for each week from the choices below:

The Peri-ometer suggests the difficulty or challenge the homework may offer. This half term I would like you to attempt at least 1 **'EXTRA HOT'** task! **Tick off the choice on the menu when complete.**

Extra hot    Hot    Mild/medium    Extra mild

|                                                                                                                                                                        |                                                                                                                                                   |                                                                                                                                                                                                                                   |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>Decorate an egg.<br/>Use lots of Spring colours and patterns. It can be a real egg or a craft egg.</p>                                                              | <p>Make an instrument<br/>Make a drum or a shaker. You could use this instrument for the dragon dance challenge.</p>                              | <p>Easter baking:<br/>Lots of learning comes through baking (vocabulary, physical development, maths and measuring). You could make some Rice Krispie cakes or cupcakes. Make sure you do lots of talking for this challenge.</p> |
| <p>Make a thank you card.<br/>Lots of people in the community help us. Write a card to say thank you for their help. (Police, firefighters, nurses, dentists etc.)</p> | <p>Easter story picture.<br/>Make a picture of the Easter story. Please include the cross and the tomb.</p>                                       | <p>Senses hunt:<br/>Find 5 things that you can see, 4 things that you can smell, 3 things that you can touch, 2 things that you can hear and 1 thing that you can taste. Make a list or draw pictures to show your findings.</p>  |
| <p>Dragon dance:<br/>Use ribbons or scarves to make a Chinese dragon dance.</p>                                                                                        | <p>Forgiveness:<br/>Complete a forgiveness diary. For 1 week, write or draw a picture about one time when you showed or received forgiveness.</p> | <p>Spot signs of Spring:<br/>How many signs can you spot? Look out for animals, plants, weather changes.</p>                                                                                                                      |
| <p>Numbots:<br/>Log into Numbots and work your way through the challenges.</p>                                                                                         | <p>Busythings/ handwriting:<br/>Log into Busythings and play the letter formation games.</p>                                                      | <p>Phonics:<br/>Log onto Twinkl and play the games to practise the sounds we have learnt so far.</p>                                                                                                                              |

Please write any completed tasks in your purple book. Please make sure work is named. If you do an activity practically, you

can print pictures or send

them to [bursar@newchurchcofe.lancs.sch](mailto:bursar@newchurchcofe.lancs.sch)

Regular reading and daily practice on Numbots play a vital role in building children's confidence and fluency in both literacy and maths. Just a few minutes each day makes a big difference to their long-term progress. Thank you for your support in helping your child develop
